

Pollinator Initiative Coordinator - AmeriCorps Position Announcement
Wood River Land Trust - Hailey, ID
Fall 2020 – Summer 2021

Organization Description: The mission of the Wood River Land Trust is to protect and sustain the treasured landscapes and the life-giving waters of the Wood River Valley and inspire love for this special place for generations to come. We are seeking an AmeriCorps member with background or interest in private land conservation, land stewardship, and program outreach. This position offers the opportunity to learn about land management, community outreach, and community conservation in a hands-on setting. The Wood River Land Trust is located in scenic south-central Idaho, near Sun Valley and the Sawtooth Wilderness Area.

Program Summary: Help the Wood River Land Trust with our Pollinator Initiative and connect students and the community to our restoration work! The Pollinator Initiative promotes pollinator habitat through habitat restoration and educational programming for youth and adults. This position will mix land management and community conservation by leading community workdays, engaging with school groups, designing and implementing pollinator habitat improvement projects at our Colorado Gulch Preserve. The AmeriCorps member will help the Land Trust increase its outreach to connect with a broader cross-section of the community in a manner that connects people to the land and helps them understand the benefits of restoring habitat and conserving land and water. This position is 11-months long and starts in early October. Members are required to complete 1700 hours of service.

Position Description and duties:

- Plan and implement pollinator habitat restoration projects at WRLT's Colorado Gulch Preserve;
- Create educational program materials and conduct programs in Blaine County schools, which may be virtual;
- Conduct workdays to engage community members and youth in site preparation, planting and transplanting of pollinator species;
- Research funding opportunities to continue the Pollinator Initiative into the future;
- Develop and implement a signage and education plan for the Pollinator Initiative that engages a wide spectrum of the community;
- Assist with managing the Colorado Gulch Preserve according to its management plans, which includes weed control (physical removal & herbicide application), data collection, visitor interaction, and trail maintenance;
- Assist with the Trout Friendly Program providing support for educational seminars, Trout Friendly Newsletter, and signage;
- Assist Staff with other WRLT educational programs, events, and coordinating volunteers;
