

**Stewardship and Program Outreach
Internship Announcement
Wood River Land Trust
Hailey, ID
Summer 2021**

Wood River Land Trust protects and restores land, water, and wildlife habitat in the Wood River Valley and its surrounding areas. We are seeking two interns with backgrounds or interest in private land conservation and program outreach. These positions offer the opportunity to learn about land management, community outreach, and community conservation in a hands-on setting. The Wood River Land Trust is located in scenic south-central Idaho, near Sun Valley and the Sawtooth Wilderness Area.

Stewardship and Program Outreach Intern duties:

- Manage Land Trust preserves according to management plans, which includes weed control (physical removal & herbicide application), data collection, visitor interaction, trail maintenance, and other restoration work;
- Assist Staff with community conservation outreach, including the Pollinator Initiative, and other Wood River Land Trust programs;
- Assist with educational programs, events, and coordinating volunteers;
- Assist Staff with conservation easement stewardship, including monitoring and updating digital records and GIS files.

Requirements:

- Physical, outdoor labor as well as flexible work on occasional evenings/weekends;
- A driver's license and good driving record (vehicle provided for work use);
- Ability to work in groups, individually, and interact with a variety of people.

Preferred Qualifications:

- Educational background in natural resources or similar field;
- Strong verbal communication, community outreach, and writing skills;
- Flexibility and versatility;
- Interest in private land conservation;
- Experience with GIS/GPS, Microsoft Office.

To Apply:

Send cover letter and resume to Keri York at keri@woodriverlandtrust.org by March 28, 2021.

This is a 12 week internship with a start date in mid-late May or early June. This position is 35 hours per week, including several weekends and evening events. Time off during the internship is allowed. Housing is provided in addition to \$8 per hour.
